EDMS462 syllabus. - Sonoma State University Teaching language arts: A student- and response-centered classroom. Added by: Mazuardi Ardi. Views. Publisher: ERIC. Publication Date: 1999. mazuardi ardi Teaching Language Arts A Student and Response Centered . To teach students to use language functionally, respecting its social nature, one must create a student-centered classroom. The language arts program developed here will use a student-centered approach. In effect, this program will use an action-response model of learning: the student speaks, writes, and makes a natural, daily, continuous part of living in the classroom.
